

# Need Business Finance?

Let's start with a coffee

**We aim to provide an in principal decision on any credit application within 4 hours, especially if we use our own “in house” finance company - give us a try!**

“Simply, if a business is looking to acquire a new or used piece of equipment then we would like the opportunity to offer our finance packages. We have a commitment to customer service and the flexibility to match any in the marketplace” Frazer Robson - partner Beechwood Finance and over 30 years experience in business finance.

We remain uniquely placed to help local businesses through our combination of brokerage and own book lending

Our first class reputation has been built over the years by providing both; “tailored” and traditional funding solutions to the full spectrum of business users.

Beechwood Finance continues to offer competitive finance facilities for all kinds and sizes of local businesses and since its establishment in 1992, can boast continuous growth and the establishment of an independent “in house” finance company which also goes from strength to strength and increases its customers on a daily basis. If the business is well established or a new venture, **Beechwood Finance is here to help.**
